1. Welcome and attendance

The Chairperson opened the meeting and allowed brief introductions by the Minister and the Acting Head of Department. The Chairperson noted that Member G Bosman (DA) would be standing in for Member D Bryant (DA), who had submitted an apology and could not attend the meeting.

2. Consideration of Vote 8: Mobility in the Schedule to the Western Cape Adjustments Appropriation Bill [B 2-2024]

The Minister and Head of Department gave introductory remarks on budgetary adjustments to Vote 8: Mobility. The Committee proceeded to a discussion on Vote 8, in the Adjusted Estimates of Provincial Expenditure book.

The Committee deliberated and engaged the Department on Vote 8. The Chairperson thanked the Department's officials and the Minister for the preparation and responses to the questions raised by the Committee Members.

The Chairperson noted that there were no questions or comments raised by members of the public.

The Committee proceeded to express their views on the Vote.

3. Consideration and adoption of the draft Committee Report on Vote 8: Mobility in the Schedule to the Western Cape Adjustments Appropriation Bill [B 2–2024]

The Chairperson submitted the draft Committee Report, which was considered and adopted.

In accordance with Standing Rule 90, the African National Congress (ANC) and the Patriotic Alliance (PA) expressed their Minority View to not support the Vote.

Members Ngqentsu indicated that the time allocated to the deliberations on the Votes was insufficient, and it did not allow Members to thoroughly interrogate the Vote and engage with the Department; therefore, the ANC could not support Vote 8. Member Constable also indicated that the PA could not support Vote 8 because he did not believe that they were doing justice to the money spent within the Department. Member Constable noted that the Minister had indicated that the recruitment of staff within the Department was not being compromised; however, the Department seemed to be relying on the use of "outsiders" and service providers to do the work. There seemed to be an issue with recruitment since the 2023/24 financial year, and the issue was raised in the Annual Report deliberations as well.

The Chairperson noted, and agreed, that the time allocated to the deliberations on the budget adjustments was insufficient and indicated that this should be considered for future budget adjustment engagements.

The meeting adjourned at 12:42.
