1. Welcome and apologies

The Chairperson welcomed the members that were participating online. The Chairperson highlighted that the purpose of the meeting was to consider and adopt several draft committee documents. The Chairperson noted an apology from Member B Ngqentsu (ANC).

2. Consideration and adoption of the draft Committee documents

The following documents were considered and adopted without amendments:

- The Committee Resolution Tracking Document

- The draft Committee Meeting Minutes of 16 March 2026
- The draft Committee Quarterly Report for 2025/26

The Committee considered and adopted the draft Committee Annual Activities Report for 2025/26 after an amendment was made to the number of oversight visits held during the financial year.

3. Committee matters

The Chairperson informed the Committee that its next engagement would have been a briefing on the Memorandum of Understanding (MoU) between the Western Cape Government and the Passenger Rail Agency of South Africa on the transport integration at the Kapteinsklip corridor in Mitchells Plain; however, this briefing was postponed because the MoU had not been finalised yet.

The Chairperson also noted that the Committee's business plan would be updated with oversight visits and meetings in respect of freight rail operations, the road safety ambassadors and the Shayela Smart project.

The Committee informed the members that a Service Delivery Cluster Visit Week would likely take place in June 2026 on the West Coast; however, this was still in the planning stage.

Meeting adjourned at 13:22.
