COMMITTEE REPORTS

1. *(Final Mandate Stage) Report of the Standing Committee on the Premier and Constitutional Matters on the Public Administration Management Amendment Bill [B 10B-2023] (s76), dated 24 October 2025, as follows:*

The Committee expresses concern that communication regarding the final mandate meeting schedule was not channelled through official channels, reaching the Procedural Officer belatedly via the NCOP Committee Secretary. The late receipt of crucial documents, including the Negotiating Mandate meeting minutes, has resulted in an impractical timeline for the Standing Committee to adequately consider the Final Mandate Report. The Committee requests that the NCOP addresses this procedural lapse to prevent recurrence.

The Standing Committee, having considered the subject of the Bill, recommends that the House confers on the Western Cape's delegation in the NCOP the authority to not support the Bill.

In accordance with Standing Rule 90, the African National Congress expressed its minority view to support the Bill.

Report to be considered.
