MOTIONS WITH NOTICE

1. Mr B Ngqentsu: That the House debates the chronic crisis related to the high vacancy rate in the Western Cape Government, and particularly in the Mobility Department, and its impact on the workers' service delivery.
2. Ms R Windvogel: That the House debates the prevalence of mental health illnesses in the Western Cape, and the inefficiency of government response programmes, especially among homeless people.
3. Mr B Ngqentsu: That the House debates the Western Cape's rising violent crimes, which have made the province one of the most violent and dangerous places in the country, as well as the efficiency of government programmes to combat crime, especially crime related to drugs and gang violence.
4. Ms N D Nkondlo: That the House debates food insecurity in the Western Cape.
5. Ms P Z Lekker: That the House debates informal settlement upgrade programmes in the Western Cape where persistent winter storms have led to widespread flooding in settlements, such as Masiphumelele, Lwandle, Khayelitsha and others, and where this happens every year and affects working-class communities; and clarity must be provided on what informal settlement upgrading programmes the Province is working on.
6. Ms A P Bans: That the House debates whether women in senior government positions are supported to be able to succeed in their roles; and whether women, although they hold seats, really have equal power in decision-making and budget control.
