1. Ms M M Wenger: That the House debates ways to eradicate racism and ways to foster a culture of tolerance and non-racialism amongst citizens of the Western Cape.

3. Mr D Joseph: That the House debates the developing crisis in Eskom which has a negative impact on the economy as well as ordinary people on a regular basis.
4. Mr M Mnqasela: That the House debates the turnaround strategy of the Department of Local Government to bring about the needed change in governance and administration in municipalities.
5. Mr M L Fransman: That the House debates this DA-led Western Cape Government's fabrication that black people (inclusive of coloureds and Africans) do not possess the required skills to fill posts to attain employment equity.

6. Mr M N Paulsen: That the House, as in National Parliament, have a sitting where the Premier of the province is to account for her performance and that of her government but without these binding debate rules which essentially make sure some voices are heard and others censored.
7. Mr M Mnqasela: That the House debates the impact of the IDP Indaba programme as implemented by the Western Cape Department of Local Government.
8. Mr C M Dugmore: That the House establishes a multi-party ad hoc committee consisting of 7 members to investigate whether the Premier has deliberately misled this House when claiming on Thursday 13 November 2014 during an interpellation, that the Provincial Department of Human Settlements had completed the development of a Provincial Housing Strategy as committed to by the Premier in the State of the Province Address on Friday, 20 June 2014 and further to establish whether the conduct of the Premier constitutes a violation of the Oath of Office as assented by her on 21 May 2014.
9. Mr M N Paulsen: That the House acknowledges that the waves of violent protests and supposed land grabs are as a result of their failure and unwillingness to meet the basic human rights of the poor of this province.
10. Mr M N Paulsen: That the House acknowledges and appreciates the 16 Days of Activism campaign which takes effect as of Monday but request that it is not yet another black male bashing masquerade as has been the case previously.
11. Mr M N Paulsen: That the House pledges solidarity with the protesters in Ferguson, the families of Michael Brown and Amir Rice and all families before them whose children's lives have been cut short and wasted by an anti-black state which gives them nothing to live for and annihilates them when they live too long.
12. Ms S W Davids: That the House notes the DA is fast to hold public hearings on visa requirements but does not want to investigate ongoing evictions or human rights abuses in this province.
