2. Mr D W Bryant: That the House debates the issue of hung municipalities in the Western Cape and the impact this has had on the delivery of basic services.

3. Mr F Kamfer: That the House debates the importance of Africa Month in fostering unity, cultural exchange and economic cooperation between South Africa, the Western Cape and the broader African continent, while advancing progressive measures to regularise the

status of undocumented migrants, to combat xenophobia and to recognise fully the contributions of African migrants to the social and economic development of the province.

4. Ms A P Bans: That the House debates the urgent need for the Western Cape Government to implement comprehensive winter readiness plans, including expanded shelter access, disaster relief for informal settlements and measures to protect vulnerable residents from extreme weather conditions.

5. Ms N D Nkondlo: That the House debates the persistent economic inequalities in the Western Cape where growth and employment opportunities remain skewed towards white-owned businesses, and the need for targeted interventions to support black and coloured entrepreneurs.

6. Mr M K Sayed: That the House debates the potential repercussions of US foreign policy shifts, including President Trump's executive orders, the current geopolitical tensions on trade, investment and tourism in the Western Cape, and strategies to mitigate any negative effects.

10. Ms B Stoffel: That the House debates the persistent failure of the current energy policies to ensure equitable and affordable electricity access for the people of the Western Cape, particularly the most marginalised, including informal settlement dwellers who remain excluded from the grid and rural farmworkers burdened by unaffordable and unreliable power.

NOTICE OF MOTION ***(20 May 2025)***

1. Mr D G Jacobs: That the House congratulates the Sevens Springbok team that won the World Championship Sevens Rugby; notes that this team, which showed grit and tenacity, was made up of mostly coloured players, and that the world could see coloured children showing their skills; further notes that, across the Western Cape, there are many Blits Boks and other national sport stars walking the streets and not knowing where their next meal will come from; notes that opportunities are denied to them, because they are "coloured"; and therefore salutes those young ones who have risen above their situation and have shown the world they are proudly coloured.
