39. Ms N D Nkondlo to ask Dr I H Meyer, Minister of Agriculture, Economic Development and Tourism:

(a) What support mechanisms are in place to assist municipalities outside of Cape Town with their tourism sector and (b) how is his Department planning to revive township tourism and cultural heritage tourism, particularly in areas outside the traditional Cape Town tourism belt?

Response:

Wesgro provides the following support mechanisms to municipalities outside of Cape Town to grow and develop their local tourism economies, as well as revive township and cultural heritage tourism.

These include:

- **Attracting Conference Bids:** Wesgro promotes Cape Town & the Western Cape as a premier place for meetings, incentives, conferences, events, exhibitions and trade fairs.

The Convention Bureau team is tasked with securing business event bids to the Western Cape.

- **Marketing Campaigns for the Western Cape:** Wesgro's marketing efforts include the promotion of tourism experiences in smaller towns and rural areas, through the "With Love from the Locals", with a focus on growing markets that value cultural authenticity, such as the Indian, Chinese and European traveller segments.
- **Leisure Tourism Events Support:** Through Wesgro's annual Request for JMA Proposal process, municipalities and event organisers in smaller towns and townships can access financial support for tourism events that stimulate visitor demand and economic activity outside of peak season.
- **Hosting of Travel Trade & Media:** Wesgro, as the official destination marketing organisation for the Western Cape, collaborates with local municipalities to profile their destinations through digital trade platforms, travel shows, and media familiarisation trips.
- **Quarterly engagements with the RTOs (regional tourism offices) and LTOs/LTAs (Local Tourism Offices/Associations)** at forums hosted by Wesgro (and with locations rotated throughout the province), to align marketing efforts and strategies across the entire province, educate the ecosystem on key topics such as sustainability, the Indian market and consumer etc. and forge strong relationships with industry, associations and government.
